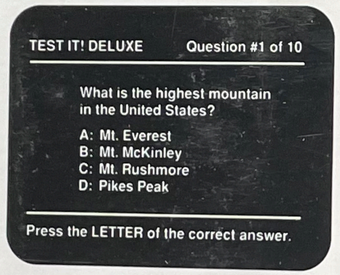
TEST IT! DELUXE™

Test Authoring System

Create customized tests effortlessly! Make printed tests with answer keys or onscreen tests that automatically score and store student results. Simply input a "bank" of questions and let ***TEST IT! DELUXE*** do the work!

- ***TEST IT! DELUXE*** gives you fast, easy entry and editing, word wrap, insert and delete, plus ^{super} script and $_{sub}$ script, **bold** and underlining features.
- ***TEST IT! DELUXE*** lets you enter and mix questions from seven different subject areas in five formats—multiple choice, true-false, fill-in-the-blank, matching and essay.
- ***TEST IT! DELUXE*** allows you to choose test questions or lets the computer select questions automatically.
- ***TEST IT! DELUXE*** creates online tests of up to 20 questions. It scores each student's test and stores the results for your review.



TEST IT! DELUXE
Question #1 of 10
What is the highest mountain in the United States?
A: Mt. Everest
B: Mt. McKinley
C: Mt. Rushmore
D: Pikes Peak
Press the LETTER of the correct answer.

- ***TEST IT! DELUXE*** creates printed tests and answer keys with a maximum of 200 questions. Tests can be printed with questions listed in a different order.
- ***TEST IT! DELUXE*** gives you great flexibility and control so you can customize directions, insert blank lines for graphics, and print tests with or without answer blanks.
